

High-Net-Worth Year-End Considerations - International Tax

December 21, 2022

Anchin's International Tax Group has capabilities that are particularly advantageous for high-net-worth individuals and families. In the videos below, Anchin Private Client Principal [Tamir Dardashtian](#) discusses year-end international tax considerations with [Kevin Brown](#), a Tax Principal in Anchin's International Tax and Private Client groups.

Additionally, [Kevin shares insight on several topics of importance](#), particularly at the

close of the year, including charitable giving, residency concerns and foreign trust and annual gift reporting.

For more information, or to discuss any of these matters in greater detail, contact your Anchin Relationship Partner or [Kevin Brown](#), a Tax Principal in Anchin's [Private Client](#) and [International Tax](#) groups, at kevin.brown@anchin.com.
