### OVERVIEW

---

Adam Pizzo, CPA, is an accounting and audit director at Anchin with over 10 years of experience. Adam is a member of the Firm's Consumer Products Groups and the Technology Group. His clients range from venture backed start-ups and aggressively growing entrepreneurial businesses, to well-established privately held and family owned companies.

Adam provides accounting, tax, business and advisory services for clients in various industries including food and beverage, manufacturing, distribution, and software and technology. These business and advisory services include M&A consulting, debt vs equity financing matters, and tax credits and incentives consulting.

Adam contributes to the career development of Anchin's professional staff by participating in the firm's mentorship program as well as leading in-house professional development seminars. He has also authored articles for the Firm's food & beverage news publication. He is a Certified Public Accountant, a member of the American Institute of Certified Public Accountants (AICPA) and the New York State Society of Certified Public Accountants (NYSSCPA).

The CARES Act: Commonly Asked Questions for Technology Companies  
May 1, 2020

With Congress swiftly passing the largest economic stimulus package in history, it's no surprise that the provisions of the CARES Act raised a significant amount of questions. In the past week alone we've seen more guidance and continued confusion amongst taxpayers. We hope the confusion subsides as
