

Anchin Welcomes Two New Partners to its Growing Team

January 31, 2025

Anchin, a leading accounting and advisory firm based in New York, is excited to announce the addition of two esteemed professionals to its partnership. Ryan Babiak has joined as a Tax Partner in the firm's Professional Services and Technology Groups, while Thomas Miranda has joined as an Audit Partner in the Consumer Products Group.

The new year marks another milestone in Anchin's growth journey. Over the past year, the firm welcomed five new Partners and three Managing Directors to the team, underscoring its commitment to innovation and excellence. With a strategic focus on the expanding technology and consumer products sectors, Anchin continues to enhance its capabilities to better serve its clients. Ryan and Thomas bring a wealth of expertise and fresh perspectives, further strengthening Anchin's ability to support clients in achieving their long-term success.

"We are thrilled to welcome Ryan and Thomas to the Anchin team," said Russell B. Shinsky, Managing Partner at Anchin. "Their specialized knowledge and expertise will amplify our ability to meet growing market demands. They join a dynamic roster of new partners who were drawn to Anchin's unique culture and independence. As the accounting industry continues to evolve, we see tremendous opportunities to deliver even greater value to our clients as an independent firm."

Ryan Babiak, CPA, MST, is a Tax Partner and member of the firm's Professional Services and Technology Groups. He specializes in strategic tax planning, tax compliance, and state and local tax matters for entrepreneurial, venture capital and private equity-backed businesses. Ryan collaborates closely with founders and owners, ranging from startups to expanding and established technology companies.

Thomas Miranda, CPA, is an Audit Partner and member of the firm's Consumer Products Group. He specializes in guiding entrepreneurial business owners and closely held businesses towards achieving their financial goals. Thomas provides critical guidance on cost and expense management, benchmarking, inventory control, and third-party financing.
