

As Seen in Accounting Today - The Fundamentals: Tax Research Software

August 30, 2024

Accounting Today spoke to firms with strong tax advisory practices to find out what they look for in their tax research software, as well as their guidance for other professionals who may not know where to start when it comes to buying a software package.

Jeff Bowden, co-leader of the tax department and an executive committee member of Top 100 Firm Anchin: Do your due diligence. Assess solutions to ensure you are selecting a software package that meets your firm's needs today and in the future.
